

Serial No. 09/976,923  
Reply to Office Action of Sept. 15, 2003

**REMARKS/ARGUMENTS**

Claims 4-10 remain in this application. Claims 1-3 have been canceled.

Applicants elect Invention II, claims 4 and 5, and herewith traverse the grouping of claims 6-10 as belonging to a separate invention. Now, claims 6-10 clearly delineate a method, so that they, too, belong with claims 4-5 as a common invention.

Respectfully submitted,

By:
